Beaufort Performing Arts Collective

We believe that everyone should have access to the transformative power of the arts.

Beaufort Performing Arts Collective is a 501(c)(3) non-profit, performing and visual arts organization dedicated to providing accessible arts experiences and education to the community of Beaufort County and beyond.

We believe that everyone should have access to the transformative power of the arts.

MISSION STATEMENT

Our mission is to provide a safe and welcoming environment whereby all people, including the underserved, can learn about and explore the various artistic disciplines, including acting, dance, screenwriting, filmmaking, visual arts, design, production, workshops, and music.

We strive to promote inclusivity and diversity within our community.

We believe that everyone possesses unique talents and that our arts organization provides a platform for their artistic expression and personal growth.

BPAC performs at the Beaufort County Community College (BCCC) auditorium for its events and offers classes through BCCC's Continuing Education division. BPAC also performs in various venues including community festivals and events, schools, and libraries.

BPAC's members include supporters of the performing arts, along with artists from organizations such as the Beaufort County Community Orchestra, Le Moulin Rouge de Danse, Theatre for Young Audiences, Alternative Stage, and Not Quite Shakespeare Productions.
